# LIFE-CHANGING GOOD NEWS FOR ALL!

**T**he message of the Bible (**the Gospel**) really is life-changing good news!

The Bible tells us that *"the gift of God is eternal life"* and that it can be received through personal faith in the **Lord Jesus Christ** (Romans 6:23). This gift was paid for by Jesus Himself when He suffered and died on the cross for our sins.

**Eternal life** is not simply life that lasts forever in Heaven, but life that links us with God here and now. It is a new kind of life altogether. This is why Jesus described receiving it as being *"born again"* (John 3:1-21).

The Bible says that *"anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun"* (2 Corinthians 5:17).

Here are 4 'new things' connected with the 'new life' we can have through Christ.

## 1) NEW PEACE

The Bible states that our sins have upset God and **separated** us from Him. There is conflict between us and our Creator. However, Jesus has made **peace** with God possible by paying sin's penalty in His death on the **cross**. When we trust in Jesus our sins are forgiven, we're **reconciled** to God and we enter into a relationship with our Creator.

## 2) NEW PURPOSE

The Bible explains that mankind was created to enjoy God's company and live for God's pleasure. While separated from God by our sins we are unable to do this. As a result, many people feel there's an **emptiness** to life. Only when we enter into a relationship with God, through faith in Jesus, are we able to fulfil our intended purpose as human beings and experience the life God created us for.

## 3) NEW PEOPLE

Becoming a Christian doesn't simply bring us into a new circle of friends - it actually brings us into a whole new **family**! When we trust in Jesus Christ we are 'born again' as children of God into the family of God. We can call God our Father and every Christian in the world our brother or sister.

## 4) NEW PROSPECTS

Having been born again into God's family we are assured of spending eternity in God's family home - **Heaven**. Heaven is a perfect place, free from all the pain and problems of this world. It has been prepared for those who trust in Jesus. The wonderful prospect of being in Heaven one day helps us to cope with the difficulties we often experience on the journey of life in the meantime.

Jesus Christ is a **life-changer**! Trust in Him today!
